MEMORANDUM FOR: Director of Central Intelligence

THROUGH : Deputy Director for Support ~~13~~ 16 DEC 1966

SUBJECT : President's Letter on Leaks of Sensitive Information

1. This memorandum suggests action on the part of the Director; such action is contained in paragraph 4.

2. Attached is a memorandum to the President for the Director's signature. The memorandum has been coordinated with each Deputy Directorate, the General Counsel, and the Acting Director of Logistics, all of whom have given approval in substance. Because of the time limitation, their signatures for concurrence were not obtained.

3. The Deputy Director for Science and Technology was of the opinion that the memorandum should take a harder line to indicate to the President that the many leaks to public information media have cost the Agency millions of dollars and have reduced the effectiveness of our collection efforts.

4. It is suggested that you sign the attached memorandum.
